Prayer Requests

- Chris I, passed away on Monday, peace for her family as they mourn
- Continued comfort for Adrienne, Shane and Audrey Polley in the passing of baby Matthew Edward
- PBC Small groups as we begin planning for Fall
- For Elder Zhang Chunlei, who was sentenced to the 5-year prison term in China. Pray for the appeal, for his family, and his Christian witness.

in Prayer!

The prayer of a righteous person is powerful and effective! (James 5:16 NIV)
Your Mission Northwest search team for the next executive minister is alive and well! We have met several times via Zoom and are in the information-gathering stage. Our next task is to develop a prayer strategy so all pastors and churches can be a part of this very important search for our new Executive Minister. We all believe in the power of prayer! We need your prayers! For now, we invite all to join with us in faith.

Lord Jesus Christ, we pray for...

- the purification of our desires and goals so that Your person is called. We want Your person, and for the right timing in their life and for the life of our Region.
- peace for each member of the search team as they have taken on this responsibility amidst all their other tasks and ministries.
- discernment for search team as they gather information in August and develop a prayer strategy in their next meeting.
- people of the Region to fill out the surveys (contact Tiffany for survey).
- people to take part in the search team listening sessions in September at Leadership Tune Up.

Mission Northwest Season of Transition

Pray for Dr. Charles Revis as he began retirement on July 31st, that he will know a sense of the Lord's presence and joy for the decades of service he has given to Mission Northwest. Please also pray for wisdom and insight for the search team, the Region Board, and its Executive Committee as they deal with the many decisions needed during the next several months. Remember also Patti Duckworth as she serves as interim executive minister and David Blackwell, John Snell, and Jim Steiner as they serve as interim associate executive ministers during the transition.
